**Subject:** Expensive cleanup is bad for jobs

I believe it is wrong for out-of-state regulators to tell Oregonians we should pay for an expensive cleanup.

I want to see the EPA support a clean river. But I also want to see the EPA support a strong Portland economy. A strong economy relies heavily on the blue-collar jobs that exist on the Willamette River.

Please do what's right for the environment and the important work that happens in the Portland Harbor.

Sincerely,
